ORDINANCE # _____

**AN ORDINANCE TO AMEND THE OFFICIAL ZONING ORDINANCE TO
ADOPT NEW SIGNAGE REQUIREMENTS IN THE
CITY OF COLLEGEDALE, TENNESSEE**

WHEREAS, the City of Collegedale, Tennessee has adopted a zoning ordinance under authority granted in Tennessee Code Annotated (TCA) Section 13-7-201; and

WHEREAS, TCA Section 13-7-204 authorizes the City to amend zoning ordinances and maps; and

WHEREAS, pursuant to the requirements of TCA, Section 13-7-204, the Planning Commission has recommended this amendment to the Collegedale Board of Mayor and Commissioners, as herein described; and

WHEREAS, pursuant to the requirements of TCA, Section 13-7-203, the City of Collegedale conducted a public hearing subject to 15 days notice prior to the final reading and adoption of this ordinance herein described;

NOW THEREFORE BE IT ORDAINED, by the Board of Mayor and City Commissioners of the City of Collegedale, Tennessee, that

Section 1: Section 17.05 of the Zoning Ordinance is hereby amended to state as follows:

17.05. SIGNAGE REQUIREMENTS.

The purpose of this section is to regulate the location, type and structural requirements of outdoor advertising displays in the City of Collegedale. The purpose of these regulations is to ensure compatible land uses, public safety, and adequate design standards.

III. Signs

These conditions are established as a reasonable and impartial method of regulating advertising structures and display surface area, in order to insure safe construction, adequate light, air, and open space, traffic safety; to prevent the accumulation of trash; and to protect property values of the entire community.

The following regulations shall apply to all signs visible or intended to be visible from all public streets or roads, intended to be used by the public, regardless of function, location, type, or duration of use:

- A. All signs shall be required to have a permit unless otherwise exempted by this ordinance.

- B. Temporary signs shall be permitted only in non-residential districts.
- C. No sign shall be erected or maintained at any location where by reason of its position, wording, illumination, size, shape, or color or may obstruct, impair, obscure, interfere with the view of, or be confused with, and authorized traffic control sign, signal, or device. No sign shall contain or make use of any word, phrase, symbol, shape, form, lights, or character in such manner as to interfere with, mislead, or confuse traffic. No signs shall have red, green, yellow, amber, or blue lights.
- D. No sign shall be located closer than ten (10) feet to a street right-of-way line or fifteen (15) feet from the edge of pavement, whichever is greater.
- E. All signs shall be set back five (5) feet from all side and rear property lines. Traffic control signs not exceeding nine (9) square feet in area and less than or equal to three (3) feet in height may be allowed within the area required for setback from the right-of-way or pavement with the approval of the Codes Enforcement Officer.
- F. No sign having flashing, intermittent, or animated illumination or moving parts shall be permitted except electronically operated message boards which operate primarily for the purpose of giving time, temperature, public service information and/or the name of business and which display any given message for at least four (4) seconds duration.
- G. No externally illuminated sign shall be permitted within three hundred (300) feet of property in any residential district unless the illumination of such sign is so designed that it does not shine or reflect light onto such property.
- H. No sign shall be placed in any public right-of-way or on any public property except for publicly owned signs.
- I. For the purpose of this Ordinance, the sign area is the surface devoted to the conveying of the message exclusive of the structure to support it properly, trim and framing device and any appurtenances required by the building code. A sign designed to be viewed from more than one different direction shall be considered as one sign, provided that the sign faces shall not be more than ten (10) feet apart if parallel, nor form an angle of more than ninety (90) degrees if angular.
- J. No sign shall project from a building a greater distance than ten (10) feet, and such sign shall maintain a clear height of ten (10) feet.
- K. Any sign which is abandoned, obsolete or defaced, or has internal illumination exposed, or whose sign face, frame and/or supports are chipped, peeling, deteriorating, or otherwise damaged shall be deemed to be in disrepair. Said sign's state of disrepair shall be determined by the Codes Enforcement Officer and shall be repaired at the property owner's expense within a period of ten (10) business days from the date of official notification. The new or repaired sign shall comply with current standards.

In the event the owner of said sign fails to correct the disrepair within the prescribed time, the Codes Enforcement Officer may remove or cause the sign to

be removed, with the cost of such action being charged to the owner. Failure to correct an unrepaired sign shall also result in the permit for said sign being revoked.
